

# Serviced Office Space India

## Plot no.18

### Noida 201305

Embark on a strategic business venture with the opulent office space available at Regus Tower. Noida acclaimed as the premier city in Uttar Pradesh and distinguished as the top city for housing across India in the esteemed 'Best City Awards,' also earns recognition as India's most verdant metropolis, boasting an impressive 50% green cover. Commute conveniently with options aplenty: the Noida Sector 142 Metro Station is a mere 6-minute stroll away, while the C-Block Hosiery Complex Bus Stop and Nizamuddin Railway Station can be reached by car in 13 minutes and 45 minutes, respectively. Cater to guests arriving from afar with Noida International Airport a mere 40-minute drive away. Seek respite from the office grind by indulging in a workout session at the nearby gym or unwinding amidst the tranquillity of local parks, museums, or theatres.

As clients step into this professional nine-story office building, let the majesty of its architecture inspire contemplation, particularly as one considers a business decision poised to captivate with its striking glass exterior. Located conveniently on the 4th floor, embrace the boundless flexibility to engage in work within fully furnished coworking spaces, sophisticated meeting rooms, and tranquil private offices – each space thoughtfully equipped with high-quality WiFi infrastructure. Stay anchored in productivity with steaming, barista-style coffee, or immerse oneself in moments of camaraderie with colleagues within the inviting patio area for a rejuvenating interlude. This adaptable workspace is primed to cater to the multifaceted needs of business endeavours, ensuring seamless support throughout.
