

# Serviced Office Space India

## 7th floor

Bangalore 560024

Strategically located in Hebbal Kempapura, a prime upcoming area in Bangalore, the centre is surrounded by a variety of restaurants, malls, schools and a number of new office buildings and commercial enterprises. The members can arrive at the underground stations of Hebbal and Kodigehalli Halt after a few miles. The crafted workplace carries the reputation of being the top cultural hub for upcoming professionals and small-scale industries. The primary location of the workplace is a prominent landmark making it convenient for the clients to easily access the local transport linkages.

The building is located in the heart of Bangalore and offers remarkable services and provisions in the acquired area. The place has been crafted with love and is newly renovated, the members can find high-quality furnishings, such as adjustable desks and a modern design. The professional and astonishing office setting creates a pleasant work atmosphere. Next to the various private offices and open spaces, the members are liable to access the meeting room and a nice kitchen along with a cosy community area. This space is the perfect alternative for anyone who wants to reduce long travelling hours or escape the home office routines.
